SPRINGFIELD YMCA FINANCIAL ASSISTANCE APPLICATION

It is the practice of the Springfield YMCA that no one is denied the opportunity to be a member due to lack of financial ability. Guidelines dictate that Adults and Families produce documentation and complete an application to show their financial need. If you qualify, the scholarship could reduce the cost of your monthly payments and program registrations based on your household income level.

To apply, come into one of our branches to fill out a membership application (You are required to reapply annually). Please bring **proof of income for the last 30 days for each adult in the household**. These can include paystubs, bank/financial statements, or award letters. There is a first-time application processing fee of \$15. The approval process takes 8-10 business days to process. You will have access to the facility while you wait for approval.
